Norwich Water Power Company to Put in New Head Gates Near

For the past few days a force of men has been employed raising and removing one of the big head gates at the plant of the Norwich Water Power mpany on North Main street near the Greeneville dam and it will be 19 Chestnut Street replaced with a new gate as it has started to rot quite badly. The gate weighs in the neighborhood of two tons and the workmen experienced some ifficulty in raising it. There are six gates at the plant and all that show signs of decay and are becoming unfit for use will be replaced with new ones. Contractor Torrance has the contract for the work which is being done while the water in the river is low.

Several large damage suits for the The suits are both for \$5,000 damages. Papers were served by Deputy Sheriff J. H. Tubbs Wednesday.

In the first suit in consequence of change in grade and excavations the following damage was caused: The shade trees were destroyed, the fence and wall destroyed and rendered of no value, new steps will have to be put in in order that the house may be accessible from the highway and by rea-son of the putting in of such new steps the ascent from the highway to the house will be steeper, the house has been raised considerably above the traveled portion of the highway, a wall will have to be built to retain the earth embankment and it will be necessary to regrade the entire premises

at great expense.

The market value of the property is alleged to have been diminished to the extent of \$5,000. Notwithstanding the changes made. the city has taken no steps to ascer-tain or assess the damages and bene-fits resulting and no notice has been given to the plaintiffs of any intention by the city to ascertain such damages, although the defendant knew at the time that the plaintiffs claimed their property damaged and the city has not pensated them for the damages.

Left Driveway Up in the Air. In her suit Mrs. Rogers alleges that she owns a tract of land with build-ings thereon bounded easterly by Williams street and northerly, westerly and southerly by land of the Connecti-

College for Women. She alleges that on or before Aug. the defendant changed the grade Williams street by cutting down a distance ranging in height from six feet at the northeasterly corner to five feet at the southeasterly corner and excavated in front of her premises in the highway. In the course of repairing taking away many hundreds of

the house and there was a driveway for vehicles leading to the premises from the highway. The changes destroyed the shade trees, a perpendicular bank left between the bottom of the stone New London by property owners in | wall and the new grade of highway, the Williams street for damage to property caused by changing the grade in the course of laying the walks. #### KEEP LOOKING YOUNG

It's Easy-If You Know Dr. Edwards' Olive Tablets. The secret of keeping young-is to feel young-to do this you must watch liver and bowels-there's no need of having a sallow complexion— dark rings under your eyes—pimples a bilious look in your face-dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from in-active bowels and liver, Dr. Edwards, New Fall Styles, Patent Gun Metal well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years. Dr. Edwards' Olive Tablets,

substitute for calemel, are gentle in their action, yet always effective, They bring about that exuberance o The state supplemental list of reg-Ohio.

A MESSAGE TO THIN, WEAK, SCRAWNY FOLKS.

An Easy Way to Gain 10 to 30 lbs. of Solid, Healthy, Permanent Flesh. Thin, nervous, undeveloped men sary for the establishment of the ocean terminal at East New London acquired with the exception of one, there now ishing food." The reason is just this: with the exception of one, there now looms up the possibility of several weeks' delay on account of the refusal of Arthur H. Gager to sell his mother's property for the \$10,000 which the members of the sub-committee of the members of the sub-committee of the Markov Commission state.

New London harbor commission state

What is needed is a means of gent-line unging the assimilative functions of that he verbally agreed upon with them, or their representative, Samuel Prince.

ly urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over It is stated by the sub-committee to the blood where they may reach that Mr. Gager, acting for his mother, Mrs. Mary E. Gager, the record owner of a lot of land with a dwelling house thereon, situated in Sixteenth street, East New London, agreed with Mr. Prince last January to sell to the state of Connecticut this property for the sum of \$10,000. There was no written agreement at that time, Mr. Gager asking a deposit of several hundred dollars which the commission was not in a position to pay at that time.

The starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager and hungry for the fatty materials of which it is being deprived by the fallure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to use Sargol the recently discovered regenerative force that is recommended so highly by physicians here and abroad. Take that Mr. Gager, acting for his mother, the starved, shrunken, run-down tis
